## AMERICAN ASSOCIATION OF UNIVERSITY WOMEN

**AAUW empowers women  
and girls by promoting  
opportunity for literacy,  
equality and education.**

**Visalia/Sequoia  
Branch**

**1926-2019**

## About AAUW

Since its founding in 1881, the American Association of University Women has been the nation's leading voice promoting education and equity for women and girls. With more than 150,000 members and 1,000 branches, AAUW continues to be a strong advocate for women.

AAUW funds research, community projects, fellowships and grants for outstanding women. Legal Advocacy Funds (LAF) provide organizational and financial support for women seeking judicial redress for sex discrimination in the workplace. Contributions to LAF are tax deductible.

## Visalia Branch...

The Visalia Branch was chartered in 1926, and its members have been active in the community promoting education and equality for women and girls. For many years we have conducted book sales twice a year that have raised over \$400,000 for scholarships. These are given to COS students who are transferring to a four-year university; middle school girls who attend a week long science, engineering, math and technology camp (Tech Trek) at Fresno State University; and elementary girls who attend Expanding Your Horizons at COS.
